Data Privacy Notice for Chessington Scout Group

Our Privacy and Fair Processing Notice describes the categories of personal data we process and for what purposes. We are committed to collecting and using such data fairly and in accordance with the requirements of the General Data Protection Regulations (GDPR).

Who are we?

Our Scout Group, Chessington Scout Group is a youth charity. Our mission is to actively engage and support young people in their personal development, empowering them to make a positive contribution to society. We are incorporated by royal charter and are regulated as a member of the UK The Scout Association, (see www.scouts.org.uk for more information.)

Every year we hold an annual general meeting (AGM) where members of the charity executive committee (our trustees), are elected as trustees of the charity. Any parent of a youth member can decide to be in the executive at the AGM and every parent has the right to attend the Annual General Meeting.

Our Group Executive Committee is the data controller for the information we collect from you. Any personal data that we collect will only be in relation to the work we do with our members and through our relationship with supporters, donors and funders.

Your personal data – what is it?

Personal data relates to a living individual who can be identified from that data. Identification can be by the information alone or in conjunction with any other information in our Scout Group's possession. The processing of personal data is governed by the General Data Protection Regulation (GDPR).

How we gather personal information

The majority of the personal information we hold, is provided to us directly by parents or legal guardians in either paper form or via our online membership systems. In the case of an adult member, data may also be provided by third party reference agencies, such as the Disclosure and Barring Service (DBS).

Where a member is under the age of 18, this information will only be obtained from a parent or legal guardian and cannot be provided by the young person.

How do we process your personal data?

We comply with our obligations under GDPR by keeping personal data up to date; by storing and destroying it securely; by not collecting or retaining excessive amounts of data; by protecting personal data from loss, misuse, unauthorised access and disclosure and by ensuring that appropriate technical measures are in place to protect personal data.

We process the data to have the ability to contact the member, parents and guardians, to inform them of

meetings or events that the group itself may be running or attending.

We use personal data for the following purposes: -

- We collect personal and medical information for the protection of that person whilst in the care of the Scout Group;
- To enable us to provide a voluntary service for the benefit of the public in a particular geographical area as specified in our constitution;
- To administer membership records;
- To fundraise and promote the interests of the Scout Group;
- To manage our volunteers;
- To maintain our own accounts and records (including the processing of gift aid applications);
- To inform you of news, events, activities and services running at the Scout Group.

What is the legal basis for processing your child(ren)'s personal data?

We only use your personal information where that is permitted by the laws that protect your privacy rights.

We only use personal information where:

1. We need to use the information to comply with our legal obligations;
2. We need to use the information to contact with you, regarding meetings, events, collection of membership fees etc, (i.e. for the day to day running of the group);
3. It is fair to use the personal information in your interests, where there is no disadvantage to you – this can include where it is in our interests to contact you about products or services within scouting;
4. The processing is necessary for the person's legitimate interests or the legitimate interests of our Scout Group unless there is a good reason to protect the individual's personal data which overrides those legitimate interests.

How we store personal data

We are committed to the protection of your personal information.

We generally store personal information in one of two secure digital online database systems, where access to that data is restricted and controlled.

Compass is the online membership system of The Scout Association, this system is used for the collection and storage of Adult personal data.

Online Scout Manager is an online membership system run by Online Youth Manager Ltd. This is a secure membership database, which is recognised by the Scout Association, where we store the personal information of Youth members for the day to day running of the group.

Google Drive is occasionally used for secure transfer of limited personal information for events. These are shared groups that are deleted after the events.

Printed records and event data paper is still used within the sections to capture and retain some data for example the following:

- New joiners form;
- Gift Aid Collection forms;
- Events consent from parents;
- Events forms with 3rd party event organisers;
- Events "InTouch" details;
- Award notifications/nominations

In the case of Joining forms this information is securely held by the leader, and transferred to our secure digital systems as soon as possible before the paper form is destroyed by shredding.

Gift Aid collection forms, will be securely held to aid in the collection of Gift Aid for monthly membership fees, we have a legal obligation to retain this information for 7 years after our last claim.

Events

As a member of the Scout Group it is hoped you will take up the opportunity to attend events and camps. Where it is necessary to fulfil our legal obligations we will be required to potentially have a less secure means to access personal information, such as printouts of personal contacts and medical information, (including specific event contact forms), rather than relying on secure digital systems, as often the events are held where internet and digital access will not be available. We will minimise the use of paper to only what is required for the event or camp.

We will ensure:

1. Transfer of paper is secure, such as physical hand to hand transfer or registered post;
2. Paper forms are securely destroyed after use;
3. Secure destruction will be through a shredding machine or securely burned;
4. Always keeping the paper records secure, especially when in transit;
5. If transferred to somebody, we will audit that they return them when the event is complete;

Sharing and transferring personal Information

We will only normally share personal information within our Scout Group leaders and executive members.

We will however share your personal information with others outside our Scout Group where we need meet or enforce a legal obligation, this may include;

- Royal Kingston Scout District
- Greater London South West Scout County
- The Scout Association and its insurance subsidiary "Unity"
- Local authority services and law enforcement

We will only share your personal information to the extent needed for those purposes.

If you move from the Scout Group, to another Scout Group or Explorer Scout Unit we will transfer your personal information to them.

We will never sell your personal information to any third party for the purposes of marketing.

Sometimes we may nominate a member for a national award, such as Scouting or Jack Petchey Awards. Such nominations would require we provide contact details to that organisation.

Your personal data will be treated as strictly confidential. We will only share your data with third parties outside of the organisation where there is a legitimate reason to do so. We will take steps to anonymise the data we provide i.e. collective reporting on gender, ethnicity, age, etc.

Third Party Data Processors

The Scout Group employs the services of the following third-party data processors:

- The Scout Association via its adult membership system "Compass" which is used to record the personal information of leaders, adults and parents who have undergone a Disclosure and Barring Service (DBS) check;
- Online Youth Manager Ltd (Online Scout Manager) which is used to record the personal information, badge records, event and attendance records etc, we have a data processing agreement in place with Online Youth Manager, more information is available at <https://www.onlinescoutmanager.co.uk/security.php>
- Dropbox is occasionally used for secure transfer of limited personal information for events;
- Google Drive is occasionally used for secure transfer of limited personal information for events;

Automated decision making

The Scout Group does not have any automated decision-making systems.

Transfers outside the UK

The Scout Group will not transfer your personal information outside of the UK, with the exception where an event is taking place outside of the UK and it is necessary to provide personal information to comply with our legal obligations, although generally such an event will have its own data collection form which will be securely held and disposed of after the event.

How do we protect personal data?

We take appropriate measures to ensure that the information discussed to us is kept secure, accurate and up to date and kept only for as long as necessary for the purpose for which it is used.

How long do we keep your personal data?

We will retain your personal information throughout the time you/your child(ren) are a member of the Scout Group.

We will retain your full personal information for a period of one year after you have left the Scout Group.

We will also keep any Gift Aid Claim information for the statutory 7 years as required by HMRC (which may be beyond age 21).
